REACT DEVELOPER

Phone number: +91 6381348525

Email address: lingamseeni6@gmail.com

Address :2/529 post office street Kulathur, Thoothukudi -628903.

SUMMARY

Highly motivated React Developer with experience across the full stack, including **React.js** for web, **React Native** for mobile, and **ASP.NET** with **MS SQL Server** for backend. Delivered a real-time **Transport Management System** integrating frontend, backend, and database. Completed **10 months of internship in React.js** and **3 months in React Native**, currently working as a **C# Windows Developer**. Skilled in building responsive interfaces, integrating REST APIs, and optimizing application performance.

Experience

C# Windows Developer

Logic Technologies – *Full-Time*

Nov 2024 – Present

- Developed enterprise desktop applications using **C# with Windows Forms/WPF**.
- Built and maintained **internal Windows-based tools**, ensuring high performance and offline reliability.
- Wrote backend logic and handled **SQL-based local databases**.
- Collaborated with QA teams to **debug, test, and deploy** software updates.

Projects

Transport Management System

React.js, React Native, ASP.NET, Microsoft SQL Server

Client Project (Live Deployment)

- Developed a full-fledged Transport Management System focused on vehicle trip and cash management.
- Built key **frontend modules** using React.js, ensuring responsive and interactive UI for logistics operations.
- Designed and developed **Trip Entry** modules to manage vehicle routing, scheduling, and logistics planning.
- Created **Credit/Debit Ledger Printout** screens for financial tracking and reporting.
- Worked on **backend APIs** using ASP.NET, integrating data from Microsoft SQL Server for real-time access.
- Implemented and tested API performance, optimized data retrieval, and ensured smooth frontend-backend communication.
- Developed a **React Native app** to display reports and trip summaries, ensuring a mobile-friendly reporting experience.

MRCA Web App

React.js, HTML, CSS, REST API, Git

- Analyzed client requirements and collaborated with a cross-functional team to deliver a tailored web solution.
 - Built and maintained the **frontend interface** using React.js, HTML, and CSS, focusing on responsive and user-centric design.
 - Integrated RESTful APIs to connect frontend with backend services for seamless data interaction.
 - Used **Git** for version control and team collaboration, ensuring code integrity and workflow synchronization.
-

INTERN EXPERIENCE

Frontend Intern – Hysas Technologies, Thoothukudi

July 2023 – May 2024

- Designed and implemented responsive UIs using React.js.
- Optimized performance and participated in team stand-ups, sprint planning, and code reviews.
- Ensured seamless user experiences through efficient component development and debugging.

React Native Intern – Aaraverse Private Limited, Hosur

June 2024 – August 2024

- Built and maintained mobile applications using React Native.
 - Implemented features based on project requirements and Figma designs.
-

EDUCATION

Bachelor of Arts – Computer Science

Manonmaniam Sundaranar University

TMM Arts and Science College, Kulathur,
Thoothukudi

Graduated May 2021 | Percentage: 68%

SKILLS

- **Frontend:** React.js, HTML5, CSS3, JavaScript (ES6+), Responsive Design
 - **Mobile:** React Native, Figma Integration
 - **Backend:** ASP.NET, REST APIs
 - **Database:** MS SQL Server, SQL Queries
 - **Tools:** Git, GitHub, Postman, VS Code, Visual Studio, Android Studio (Basic)
 - **Other:** API Testing, Debugging, Windows Forms, WPF, Software Support
-

ADDITIONAL INFORMATION

- **Technical Skills:** Software installation, Tech support, Computer system management, Knowledge of photography Techniques.
 - **Languages:** Tamil, English.
-

I hereby declare that the above-furnished details are true to the best of my knowledge.
